

*Having a deep understanding of both sides of the coin, I persist in seeing the glass half full and never giving up, no matter what happens. I belong to those who believe that only the cultivation of the human spirit, i.e., culture and education, can change the world for the better. My life philosophy is "Well done in striving". My guiding principle is always to do more than I say."*

*Vasiliki L. Kateri*

Vasiliki Kateri was born in 1967 in Drosochori, Ioannina, and lives in Messinian Mani. She is a visual artist and holds a diploma in Interior Design from the North College of Ioannina and Abertay Dundee University.
